Water Soluble Cresylic Cleaner for Use in Poultry, Swine, Veal, Dairy, Cattle, Canine and Horse Operations  
**FOR INDUSTRIAL AND COMMERCIAL USE ONLY**

**COMPONENTS:** CAS No.  
 Sodium Cresylate .....34689-46-8

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**BEFORE USING, READ THE MATERIAL SAFETY DATA SHEET (MSDS) FOR THIS PRODUCT.**

<b>FIRST AID</b>	
<b>Have label with you when obtaining treatment advice.</b>	
<b>If in eyes</b>	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Get medical attention if irritation persists.
<b>If on skin or on clothing</b>	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Wash contaminated clothing before reuse. Get medical attention if irritation persists.
<b>If swallowed</b>	Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting. Immediately give two glasses of water. Do not give anything by mouth to an unconscious person.
<b>If inhaled</b>	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.
<b>NOTE TO PHYSICIAN:</b> Because of the danger of aspiration, emesis or gastric lavage should not be employed unless the risk is justified by the presence of additional toxic substances. Activated charcoal may be given but should be used with caution since it may induce vomiting.	
Have the product container or label with you when calling a poison control center or doctor or going for treatment. <b>*For 24-hour medical emergency information on this product, call 1-800-498-5743 (U.S. &amp; Canada) or 1-651-523-0318 (all other areas)</b>	

BioSentry® BioCres™ 50 is a highly concentrated premise cleaner that wets and penetrates pores, cracks and crevices to maximize cleansing action. For fast complete cleansing action, use BioSentry® BioCres™ 50.

**PRECAUTIONARY STATEMENTS**

**DANGER: CONTAINS CRESOLS AND SODIUM HYDROXIDE.**

May cause skin and eye damage. May be fatal if swallowed. Harmful if absorbed through skin or inhaled. Do not get in

eyes, on skin or clothing. Avoid contact with skin. Avoid breathing spray mist. Wear a long-sleeved shirt and long pants, socks and shoes, goggles or face shield and chemical resistant gloves. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

**DIRECTIONS FOR USE**

**POULTRY, SWINE, VEAL, DAIRY, CATTLE, CANINE AND HORSE OPERATIONS:** Use BioSentry® BioCres™ 50 for cleaning broiler houses, brooders, layer houses, livestock barns, farrowing pens, foaling pens, stalls, calf hunches, pig parlors, kennels, poultry crates, animal transport vehicles and farm equipment. BioSentry® BioCres™ 50 is recommended for use on surfaces such as concrete, wood, plastic, glazed tile, enameled and metal surfaces of livestock housing, handling equipment and transportation equipment.

**APPLICATION INFORMATION:** Remove all animals, poultry and feed from premises, trucks and enclosures. Remove all litter and manure from floors, walls and surfaces of barns, pens, stalls, chutes and other facilities occupied or traversed by animals or poultry. Empty all troughs, racks, and other feeding and watering appliances. Remove gross soil by hosing with water, brushing, vacuuming or sweeping before using BioSentry® BioCres™ 50. Apply solution as a soft coarse spray or with a brush, sponge or mop. For hand use, wear rubber gloves. For maximum cleaning effectiveness, allow treatment to remain on the surface for at least 10 - 20 minutes before flushing with water. Spraying or misting of the product is not recommended unless the operator is protected from breathing the spray mist.

**USE DILUTIONS FOR NORMAL CLEANING:** Clean premises with BioSentry® BioCres™ 50 at 0.5 % solution (1 gallon in 200 gallons of water) (2 ounces per 3 gallons of water) (5 mL/L). Light to moderately soiled surfaces may be cleaned just once. After cleaning, follow-up with an application of an appropriate disinfecting solution.

**STORAGE AND DISPOSAL**

Store in original container, in areas inaccessible to children. Keep container tightly closed. Do not store near heat or open flame. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.
