

# Introducing! **Ramik** *mouser RF*

## REFILLABLE STATION & BAIT BARS

Neogen's newest consumer friendly Ramik® Mouser RF is a great option for the homeowner looking for rodent control solutions. The Mouser RF package includes a refillable bait station and bait bars. This refillable station is easy to use, child resistant and can be purchased with 8 or 16 oz mini bars. The Ramik mini bars are a proven and effective anticoagulant rodenticide and will be kept securely inside the bait station. The station's two small openings allow easy access for mice to enter and feed — but prohibit access to children. Stick with the name you know and trust for all your rodent control solutions- choose the Ramik Mouser RF.

### Features

- EPA compliant child resistant refillable bait station.
- Contains Ramik Mini Bars.
- Available in 8 ct or 16 ct sizes.
- Easy to use bait station.
- Resealable pouch packaging displays great on the shelf and keeps the bait fresh.
